

CLEANER
AIR TO YOUR HOME!

AIRBORNE
PARTICLES AND
CONTAMINANTS

- Air cleaner attaches to air handlers and furnaces.
- MERV 13 filtration performance. 89%-90% Efficiency.¹
- Reduces airborne particulates while central AC is running.
- 11 engineered sizes designed to fit your furnace and air handler install.
- Designed for easy filter cartridge replacement.
- When the TechPure media air cleaner is used in conjunction with the Air Knight® IPG®, testing shows an additional 10% efficiency increase.²

To further optimize your indoor air quality, consider adding the Air Knight® IPG®.

EPA Establishment No. 73316-TX-1

Air Knight® and TechPure® products are tested using independent labs and universities. Visit <https://www.airknightiaq.com/testing>.

The product and technologies described are not medical devices, and are not intended to diagnose, treat, cure, or prevent any disease or illness.

1. Efficiency at 1.0-3.0 pm particle size.

2. All third-party laboratory testing paid for by Dust Free®.

TechPure filter media is a proprietary composition, pleated filter manufactured to maximize quality and efficiency.

The pleated filter utilizes the electrostatically charged, 100% synthetic media to provide significantly higher particulate efficiency than regular poly/cotton media pleated filters with low pressure drop.

- Cabinet sizes for Air Handlers & for Furnaces
- **Fully insulated** cabinet and door
- Low pressure drop (0.241" @ 492 FPM) (See installation sheet for additional detail information.)
- MERV 13 replacement filters available
- Utilizes standard size filter media — **no custom sizes to order**
- Includes mounting hardware and insulating gasket for attaching cabinet to ducting and equipment
- Easy filter size identification printed on door label
- Solid 22 gauge galvanized steel cabinet
